THANK YOU!

Your time, your gifts, your extraordinary kindness—
and every way that you show your generosity—have
given hundreds of animals a second chance at life.
We've seen the most amazing transformations in
homeless and neglected animals as your support fills
their bellies with food; their bodies with medicine
and nourishment; and their hearts with the love they
deserve. **We truly could not do it without you!**

– Heather Faria, Executive Director
